# About Us

---

Established in 2018, Sevakh Global is a 360-degree legal & dispute resolution service hub providing an effective One Stop Solution for any legal requirements or challenges. We cater to multiple industries with a diverse array of legal requirements and disputes, including personal, commercial & institutional requirements.

Our unwavering commitment and tireless dedication to client services have enhanced our reputation for excellence and reliability in the legal industry globally.

## Alternate Dispute Resolution

We excel in the art of corporate mediation, institutional arbitration, commercial negotiation and dispute resolution. By offering strategic and efficient resolution expertly guiding businesses to navigate disputes and conflicts with finesse and strategic precision and fostering harmonious resolutions that benefit all stakeholders involved.

## Legal Services

Sevakh Global provides excellent legal services in numerous areas like criminal law, civil law, corporate law, intellectual property rights law, labour law, cyber law, family law, commercial litigation, etc., delivering tailor-made solutions to meet the unique needs of each client.

## Legal Compliance

We expertly provide legal compliance services to help businesses navigate and adhere to the complex web of local, national, and international laws, regulations, and industry standards, thereby mitigating legal risks and ensuring ethical operation.

## Legal Process Outsourcing

Sevakh Global offers comprehensive LPO services to start ups, corporates and institutional clients, streamlining their legal processes through efficient and cost-effective solutions, allowing them to focus on core business activities.

## Legal Consultation

The legal consultation services by Sevakh Global are tailored to the unique needs of individuals, startups, corporates, and institutions, ensuring they navigate complex legal landscapes with confidence and efficiency.
